ABOUT US

FOUNDED IN 2007, ROCK HILL CAPITAL IS A PRIVATE EQUITY FIRM BASED IN HOUSTON, TEXAS.

We are a private equity firm that invests in small-to lower middle market companies located in the South and Southeast U.S. We focus on industrial products and services businesses.

We collaborate with experienced entrepreneurs in search of capital and the operational expertise they need to continue growing and expanding their business. We commit fearlessly to building successful companies over time to maximize value for both our portfolio businesses and our investors.

We have the confidence to follow through on our investments based on years of hands-on business experience and know-how. Governed by several principles that inform our actions and help us lend our expertise in the ideal manner, we work side-by-side with our entrepreneurial partners to help grow a company to its full market potential.
